The Waldorf School of Saratoga Springs is looking for a middle and high school eurythmy teacher beginning in the fall of 2018. The ideal candidate will have completed eurythmy training, have experience teaching grades six through twelve, and have knowledge of Waldorf education. Our school has a well-established eurythmy curriculum for kindergarten through high school, with a piano accompanist and dedicated eurythmy rooms in the lower and high schools. The lower and high school buildings are located in residential neighborhoods, and our kindergartens are located at two campuses, one in-town and one forest site.

Saratoga Springs is a charming Victorian town in the foothills of the Adirondacks with a population of approximately 30,000. Three hours from Boston, New York City and Montreal, our location offers proximity to both wilderness and major cities, while maintaining a small-town feel. Saratoga Springs is the summer home to the New York City Ballet and the Philadelphia Orchestra and offers a plethora of restaurants, shops and community and cultural events. With four campuses throughout the city, our school provides students full access to all that Saratoga has to offer as a unique, celebrated city with many natural, cultural and historical treasures.

To apply: please send your letter of interest, resume and three references to:
Julie Niles, Business Manager, 122 Regent Street, Saratoga Springs, NY 12866
