

Toronto Waldorf School

JOB POSTING

Eurythmy Teacher

Full-time

Starting August 2024

Description:

The Eurythmy Teacher is a part time active member of our Faculty responsible for carrying the eurythmy portion of the Waldorf curriculum for classes from early childhood through Grades 1, 2 and 3. The Eurythmy Teacher evaluates each child's progress and reports to parents through written reports and interviews. He/she is invited to attend all faculty meetings and assist with school events when possible. This work could be done on a weekly schedule or in blocks, equivalent to about 12 lessons/week.

Requirements:

- Waldorf Teacher Education certification plus Eurythmy diploma (five year certification).
- Strong communication and interpersonal skills; approachable by students, parents and colleagues
Demonstrated ability to work within a community environment.
- Demonstrated ability to collaborate with fellow teachers and administrators to bring forward the Waldorf curriculum.
- Demonstrated ability to work with parents to support their understanding of Waldorf education, and to meet their questions and needs as parents in the elementary school years.

Responsibilities:

- Responsible for ensuring all curriculum requirements are met for each grade, including lesson preparation and instruction
- Evaluate each student's physical, emotional and social progress on an ongoing basis
- Report to parents regularly through written reports and interviews
- As necessary, liaise with colleagues and other professionals to address the needs of individual children
- As part of the Lower School and full Faculty contribute to pedagogical, child, and curriculum study
- Perform a designated number of duties, recess and administrative, in addition to teaching responsibilities.
- Attend all faculty meetings and assist with school events wherever possible.
- Assist with school events when possible
- Respond to parent questions/concerns in a timely and professional manner
- Participate in parent interviews as required
- Writing of reports in a timely and professional manner
- Responsible for monitoring annual budget

Compensation

Salary range is between \$51,214.80 to \$82,533 for a fulltime position and is determined based on years of experience and education. Benefits plan includes RSP contribution, health, vision, dental coverage and tuition remission.
